End of the day Report

Name: Taladoc, Mikaela C.	
Date: Feb 23, 2026	**Position:** Web Dev - Intern

For Developers:
Kindly include a screenshot of the user interface and provide the relevant code snippet for the feature or task you are currently working on. This will help ensure proper documentation, transparency, and easier review of progress.

For QA:
Please indicate the specific module you are currently testing and provide the status of the related test cases (e.g., Passed, Failed, In Progress). Additionally, list all blockers encountered during testing and attach the corresponding file link in the description for reference.

This will help maintain clear tracking, improve collaboration, and ensure timely resolution of issues.

Note:
When creating or responding to emails, please ensure that only one email thread is used to facilitate better tracking and efficient monitoring of tasks.

Activity	Description
	• Doing a bootstrap color container so that we can familiarize doing it. • Sir Wency help us what to do and what to put.

Activity	Description
	• This is not done because its not working in database. • The submit method doesn't work. • I will work for it.

Activity	Description
	● This is a basic javascript. ● It will work by putting your name and username it doesn't have a database on it.
