

OJT WEEKLY PROGRESS REPORT

Name of Student Trainee: Renacia Junard Paul Pinca
Family Name Given Name Middle Name

Host Training Establishment: Lhoopa Inc.

Training Period Covered: May 18, 2026 To May 19, 2026

Department Assigned: Information Technology

Week # : Week 14

Date	Duties	Problem Encountered	Remarks
May 18, 2026	- Changed Audit Trail Description - Approving/Rejecting tickets (just the Department Admin) - Filtration Fix - Only the Department heads can assign and re-assign person in charge - Re-opening Ticket Fix - Created Tickets History - Can change status from Testing to On Going - Cannot be able to re-assign department when the ticket is closed	Encountered minor issues with ticket workflow restrictions, reassignment logic, and status transition handling.	Updated audit trail descriptions, improved ticket approval/rejection and filtration, added ticket history, fixed re-opening and reassignment restrictions, and enhanced status management features.
May 19, 2026	- Created "My Tickets" and "Departments" page - Modified the RBAC	Minor issues with role permissions and page access during RBAC modification.	Created "My Tickets" and "Departments" pages and updated the RBAC for improved access control.
